## 7. Medical Conditions Questions

Questions 18 through 23 pertain to medical conditions and use of chemical substances. Please read the definitions carefully. Your responses will be treated confidentially and retained separately. Please be aware that you have the right to elect not to answer those portions of the following questions which inquire as to the illegal use of controlled dangerous substances or activity if you have reasonable cause to believe that answering may expose you to the possibility of criminal prosecution. In that event, you may assert the Fifth Amendment privilege against self-incrimination. Any claim of Fifth Amendment privilege must be made in good faith. If you choose to assert the Fifth Amendment, you must do so in writing. You must fully respond to all other questions on the application. Your application for licensure will be processed if you claim the Fifth Amendment privilege against self-incrimination. You should be aware, however, that you may later be directed by the Attorney General to answer a question that you have refused to answer on the basis of the Fifth Amendment, provided that the Attorney General first grants you immunity afforded by statutory law.
